

# PUBLIC NOTICE

With the current developments surrounding the 2019 Novel Coronavirus (2019-n CoV) emergency, PNG Ports Corporation Limited, as the SOE responsible for the majority of the country's port facilities, will continue to support the efforts undertaken by the PNG Immigration and Citizenship Authority, the Department of Health, Department of Transport, PNG Customs, NAQIA and other stakeholders to prevent this virus from entering the country.

We understand the anxiety surrounding the outbreak of this virus worldwide and would like to assure our valued customers, clients and the nation, that we are working tirelessly with our partner stakeholders, to ensure that necessary steps are taken so that it does not enter through one of PNG Ports Corporation Limited fifteen (15) port facilities nationwide.
